Anton encourages participation in leisure skiing, club racing & the club’s affairs.

Anton’s Annual Club Racing

Anton Huetten has established a proud history of participating, in the Australian Alpine Club, in alpine racing, in lodge development. Club race week is usually held in the third week of July and provides a great opportunity to improve skiing & boarding skills with daily instruction sessions, and to skill levels against other lodge members. The week culminates with the club race event where members can test skill levels against each other.

Membership Costs...

Cost for full adult membership: Non Refundable Joining Fee of \$6000 plus the Annual Subscription.

Junior memberships: Anton has made both the cost and process of joining your kids easy and flexible with a lasting benefit for the child into their adult life. *Junior Membership* is available for children under 18 provided at least one parent or guardian is a *Full Member* of the club

Children under 18 years pay a joining fee of \$3000 plus the junior subscription rate which is half of the adult rate. That gives them normal member access such as booking priority rights etc.

Automatic Transition to adult membership

Once a *Junior Member* turns 18 and is fully paid up, they will automatically become an *Associate Member* or they can pay the difference in joining fee to become a *Full Member* with the top level of booking priority, accommodation rates and voting rights.

Associate Member accommodation bookings open later than the *Full Member* bookings and are at AAC Reciprocal rates. *Associate Members* are not eligible to vote at club general meetings. Either way, the *Junior Member* pathway continues to deliver benefits as between 18 and 25 years old, the subscriptions are charged at junior rate which is approximately 50% of the adult member rate.

Once the *Junior Member* reaches the age of 25, their subscriptions would change to the full adult rate as set at the time, currently \$450

Application for Membership

To apply for membership, please download and complete the Membership Application Form on our website.

If there are no vacancies for new members at the time of making your application, interested people can elect to be included on the Wait List. As vacancies arise, prospective members will be offered the position(s) in accordance with their position on the list. To reserve a place on this list requires the payment of a deposit at 10% of the applicable joining fee.
